

ABV(g) Genomic Testing Sample Deadlines

Below are the dates that hair or semen samples need to be received in the Holstein Australia office. The interim release date is when the ABV(g) will be released to the owner of the sample. The complete release date is when ADHIS updates the top ABV lists to their websites and the Goodbulls guide. Samples received after 24 August 2012 will not be included in a complete release until April 2013.

Sample deadlines for 2012

Hair Samples to HA	Interim release	Complete release
4/05/2012	6/06/2012	
8/06/2012	14/08/2012	20/08/2012
24/08/2012	26/09/2012	
28/09/2012	24/10/2012	
2/11/2012	5/12/2012	

For animals where the owner or submitter request US Holstein TPI(g) breeding values, these are released monthly. We will supply the results back as soon as we receive them from the US Holstein Association.
