EzeGene™

The 'smart' way to register

User Guide

Once EzeGene is downloaded from your app store open the application to the home screen

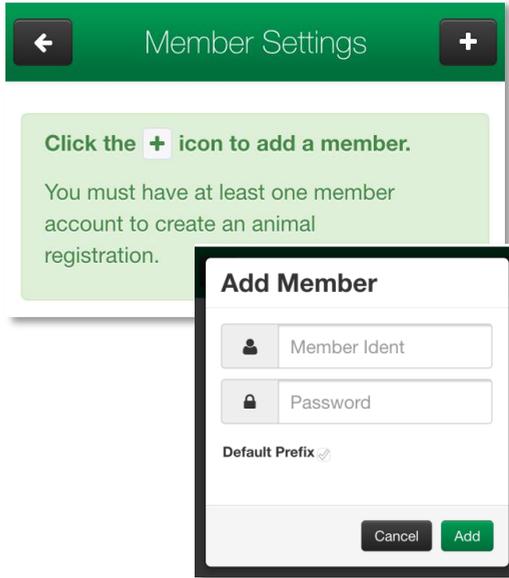

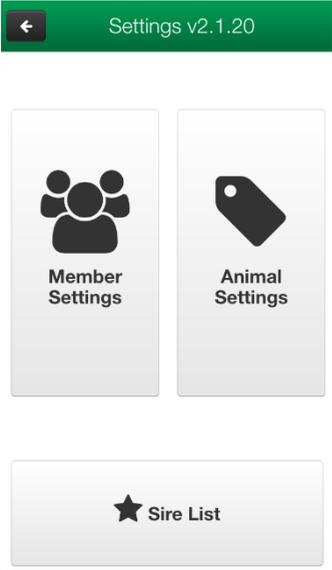

To begin tap on the Settings icon to set

- Member Details
- Animal ID defaults
- Sire information

If you don't have a password contact Holstein Australia on 03 9835 7600 to have one issued.

1. MEMBER SETUP

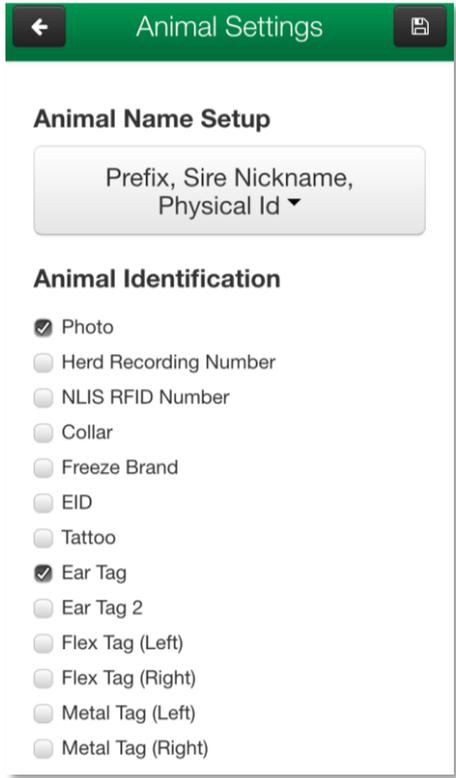

Tap Member Settings

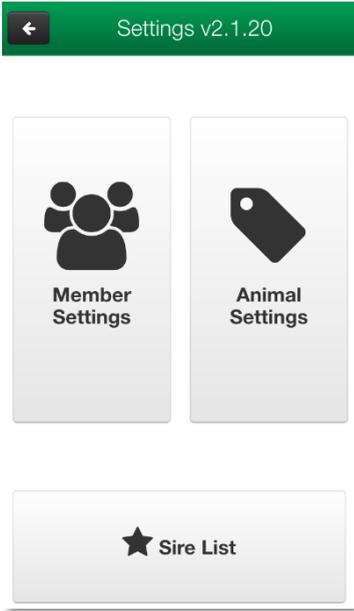

1. Set member details: ID & password
2. Set animal ID defaults
 - Tap drop down box to change naming default.
 - Tap next boxes to change default identifiers

Tap the save button when completed.

A photo can be taken with your smart phone and submitted via EzeGene and printed on the certificate

2. SIRE LIST SETUP

Tap Sire List

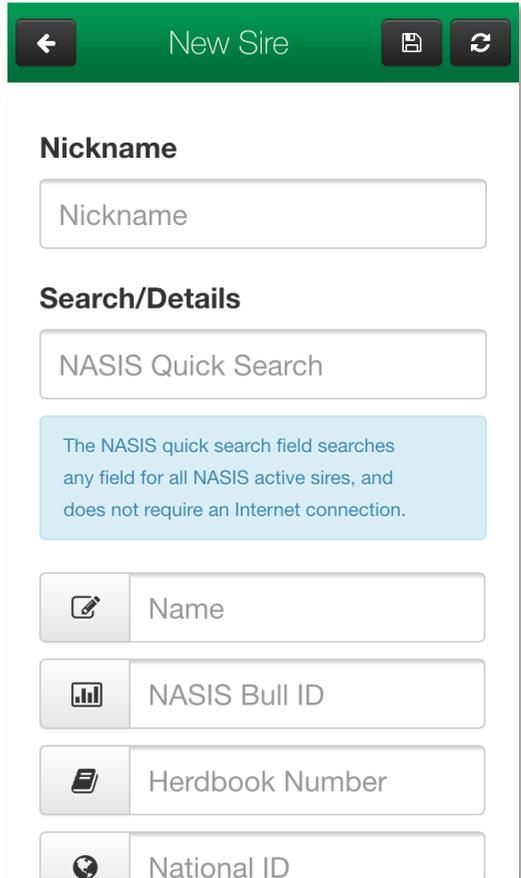

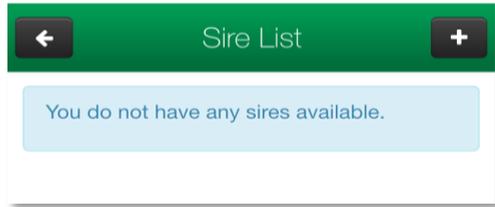

1. Add Sires you intend to use with the smart phone registrations

- tap the '+' icon to add a new sire

Tap the save button when completed.

Tips

- use a sire's nickname or use the NASIS quick search

2. To search from the list of active NASIS sires loaded when you open EzeGene; use the search details box by typing in the sire name.

- Select the appropriate bull
- If the bull is not found enter information available in the boxes at the bottom
- A nickname must be entered for each sire

Tap the save button when completed.
